I'll be the one...

Ohh..

I guess you were lost, when I met you
Still there were tears in your eyes
So out of trust, and I knew
No more of them mysteries and lies

There you were, wild and free
Reaching out like you needed me
The helping hand, to make it right
I am holding you all through the night

I'll be the one, I'll be the one
Who will make all your sorrows undone
I'll be the light, I'll be the light
When you feel like there's nowhere to run
I'll be the one

To hold you
And make sure that you'll be alright
Cause my faith is gone
And I want to
Take you from darkness to light

There you were, wild and free
Reaching out like you needed me
The helping hand, to make it right
I am holding you all through the night

I'll be the one, I'll be the one
Who will make all your sorrows undone
I'll be the light, I'll be the light
When you feel like there's nowhere to run
I'll be the one

To hold you
And make sure that you'll be alright

You need me, I need you
We can share our dreams coming true

I can show you, true love means
Just take my hand, baby please

I'll be the one
I'll be the light
Where you can run
To make it alright
I'll be the one
I'll be the light
Where you can run

I'll be the one, I'll be the one
Who will make all your sorrows undone
I'll be the light, I'll be the light
When you feel like there's nowhere to run
I'll be the one

I'll be the one
I'll be the light
Where you can run
To make it alright
(I'll be the one)
I'll be the one
I'll be the light
Where you can run
To make it all right
I'll be the one

To hold you
And make sure that you'll be alright

I'll be the one...
