Come on! come on! (Yeah)  
Can you feel me?  
(Baby can you feel me?)  
I got something to say  
Check it out

For all this time  
I've been loving you girl  
Oh, yes I have  
And ever since the day  
You left me here alone  
I've been trying to find  
Oh, the reason why

So if I did something wrong  
Please tell me I wanna understand  
Cause I don't want this love to ever end

And I swear  
If you come back in my life  
I'll be there 'til the end of time  
(Back to me, back to me, back into my life)  
And I swear  
I'll keep you right by my side  
Cause baby you're the one I want  
(Back to me, back to me, back into my life)  
Oh, yes you are

I watched you go  
Taking my heart with you  
Oh, yes you did  
Every time I try to  
Reach you on the phone  
Baby you're never there  
Girl you're never home

So if I did something wrong  
Please tell me I wanna understand  
Cause I don't want this love to ever end

No, no, no, no

I swear  
If you come back in my life  
I'll be there 'til the end of time  
(Back to me, back to me, back into my life)  
And I swear  
I'll keep you right by my side  
Cause baby you're the one I want  
(Back to me, back to me, back into my life)  
Oh, yes you are

Maybe I didn't know how to show it  
(How to show it)  
Maybe I didn't know what to say  
(What to say)  
This time I won't disguise  
(Won't disguise)  
Then we can build our lives  
And we can be as one (be as one)

I swear  
If you come back in my life  
I'll be there 'til the end of time  
(Back to me, back to me, back into my life)  
Oh yeah  
And I swear  
I'll keep you right by my side  
(By my side)  
Cause baby you're the one I want  
(Back to me, back to me, baby come back)  
Oh, yes you are

And I swear  
If you come back in my life  
I'll be there 'til the end of time  
(Back to me, back to me, back into my life)  
Oh yeah  
And I swear  
I'll keep you right by my side...
