And I believe, baby I believe
I believe in love

You say of love, there's no such thing
You've only known the pain it brings
You question why I give your heart
You stay alone, you stay apart
I've seen, I know, I trust, I feel
Love is alive and for real

And I believe, I believe in love
I believe two hearts
Can learn to beat as one
And I believe, I believe that time
Can tie your soul to mine
I see the doubt there in your eyes
But I believe

I know you're scared, I understand
Please take my word and take my hand
If there's no faith inside of you
I can believe enough for two
I've seen, I know, I feel, I trust
Love has a future for us

And I believe, I believe in love
I believe two hearts
Can learn to beat as one
And I believe, I believe that time
Can tie your soul to mine
I see the doubt there in your eyes
But I believe

I believe
And I believe, baby I believe
In love, in love
I see the doubt there in your eyes

But I believe, I believe in love
I believe two hearts
Can learn to beat as one
And I believe, I believe that time

Can tie your soul to mine
I see the doubt there in your eyes
But I believe

But I believe
I see the doubt there in your eyes
But I believe
