I can feel the earth is moving  
When the clock strikes twelve it's time to go out  
I can tell the club is grooving  
Cause you just walked in, you're out and about

On and on from dusk 'til dawn  
The party's going on  
I guarantee, oh oh oh

We can dance all night with the bourgeoisie  
Oh oh, oh oh, lay your love on me  
Take a chance on me, take the liberty  
Oh oh, oh oh, lay your love on me

You're confessing on the dance floor  
You betray your heart when looking my way  
I don't plan to join the peace corps  
But I drop my guns and bring the bouquet

On and on from dusk 'til dawn  
The party's going on  
I guarantee, oh oh oh

We can dance all night with the bourgeoisie  
Oh oh, oh oh, lay your love on me  
Take a chance on me, take the liberty  
Oh oh, oh oh, lay your love on me

Lay your love, lay your love  
Love on me  
Lay your love, lay your love  
Love on me

(I can feel the earth is moving)  
(I can tell the club is grooving)  
(Cause you just walked in)

We can dance all night with the bourgeoisie  
Oh oh, oh oh, lay your love on me  
Take a chance on me, take the liberty  
Oh oh, oh oh, lay your love on me

Lay your love, lay your love  
Love on me  
Lay your love, lay your love  
Love on me

We can dance all night with the bourgeoisie  
Oh oh, oh oh, lay your love on me  
Take a chance on me, take the liberty  
Oh oh, oh oh, lay your love on me
