Come on over, come on over baby
Come on over, come on over baby (here we go)
Come on over, come on over baby (that's right)
Come on over, come on over baby
(Yeah, yeah, yeah, yeah)

Hey boy don't you know
I got something going on (yeah come on, come on)
I've got an invitation
Don't you keep me waiting all night long

I know, you know (you know) so baby don't
Pretend you won't (don't you won't)
Keep me guessing if you, you will or you won't
Don't wanna play that game with you baby
(I said) listen to me

(All I want is you) Come over here baby
(All I want is you) You know you make me go crazy
(All I want is you) Now baby don't be shy
You better cross the line
I'm gonna love you right
Cause all I want is you

Come on over (that's right) come on over baby (ooh...)
Come on over, come on over baby (yeah yeah)
(Come on)

I'm not just talking about your sexuality
(Your sexuality)
But I can't help myself
When you put your hands on me
Ooh oh, ooh

It's paradise when you and I
Get close, get tight
One on one I wanna go all, all night
I wanna play the game with you baby
Listen to me

(All I want is you) Come over here baby

(All I want is you) Oh oh
You know you make me go crazy
(All I want is you) Now baby don't be shy
You better cross the line
I'm gonna love you right
Cause all I want is you (ooh...)

Come on over, come on over baby
(Ooh oh yeah yeah yeah yeah)
Come on over, come on over baby

Don't you wanna be the one tonight
We could do exactly what you like (ah..)
Don't you wanna be just you and me (oh, oh)
We could do what comes so naturally
I got a thing for you
Got my mind made up (yeah)
And I'm serious never been more baby
I'm sure that it's real (but it's real)
And it's right here, uh come on

Come on, come on, come on, over
Come on, come on, come on, over
Come on, come on, come on, over
Come on, come on, come on, over
Come on, come on, come on, over
Come on, come on, come on, over
(Oh oh oh, yeah yeah)
(Yeah, yeah, yeah, yeah)

You give me...
What a girl feels, what a girl likes
What a girl needs, what a girl wants
Ooh oh....

All...I...
All I want is you
Ohh, ohh baby
All I want is you
Oh you make me go crazy
Oh oh (woo)
All I want is you
Now baby don't be shy
You better cross the line
I'm gonna love you right
Cause all I want is you

(All I want is you) ohh, ohh, yeah...
(All I want is you) you make me go crazy
(All I want is you) now baby don't be shy
You better cross the line

I'm gonna love you right
Cause all I want is you
