Want to be with me  
Want to be with me  
(Wanna be with me)

Night falls  
Everybody change their attitude  
And they start to run  
They wanna be the first in line again, ooh  
I go, stepping on the gas to a fortune  
I don't know if I win  
But Saturday's bringing the magic in

Wanna be with me?  
Let me show you  
That I love you, oh yeah  
Wanna be with me?  
You'll be stronger  
I will hold you  
If you wanna be with me

(Wanna be with me)

Standing here  
Listen to a voice I don't know  
Then we start to dance  
Feel his body moving closer now, oh yeah  
My feet, take a step around I feel so good  
I don't know if I win  
But Saturday's bringing the magic in

Wanna be with me?  
Let me show you  
That I love you, oh yeah  
Wanna be with me?  
You'll be stronger  
I will hold you  
If you wanna be with me

Want to be with me  
Want to be with me

One is for the music

Two is for the moves you're making  
Three is for emotions  
Do you, do you love me?

Wanna be with me?  
Let me show you  
That I love you, oh yeah  
Wanna be with me?  
You'll be stronger  
I will hold you  
If you wanna be with me

Let me show you  
That I love you, oh yeah  
Wanna be with me?  
You'll be stronger  
I will hold you  
If you wanna be with me

If you wanna be with me
