(Aaahh)
(Wonder where you are)

I see you go out again
To escape from the pain
Shouldn't left you alone, no
But baby listen to me
I can't help how I feel
There's an end of my love

You can run, you can cry
But look deep in my eyes
Our love must be through
I think I'm loosing it all
I don't want you to fall
So take my hand
And tell me where you are

I need to know
I wonder where you are
I need to know
I wonder where you are
I need to find the love
I once had for you
I wonder where you are

(Oh yeah)

You went away from it all
Couldn't take it no more
I fear you are gone
Would like to see you again
Say I never walk away
But I know it's too late
(And I know it's too late)

You can run, you can cry
But look deep in my eyes
Our love must be through
I think I'm loosing it all
I don't want you to fall
So take my hand

And tell me where you are

I need to know
I wonder where you are
I need to know
I wonder where you are
I need to find the love
I once had for you
I wonder where you are

(Wonder where you are)

Maybe you're walking
In my dreams
Maybe I just wanna hold you
I need to find the love
I once had for you

I wonder where you are
I wanna know where you are
I need to find the love
I once had for you
I wonder where you are

I need to know
I wonder where you are
I need to know
I wonder where you are
I need to find the love
I once had for you
I wonder where you are

I need to know
(I really need to know where you are)
I wonder where you are
I need to know
I wonder where you are
(I want to be with you now)
I need to find the love
I once had for you
I wonder where you are
