I can't believe she's gone
I can't believe
That we are not together anymore
Something in her eyes
I've never seen before
It took me by surprise
When she said
"I'm not in love anymore"
Oh baby I keep holding on
Can't let go please let me know

Why does it rain
Why does it hurt
Please God explain
Cause I don't understand
Love made me fly
Now I just cry
Please tell me why
Oh my baby
Why does it rain

We used to be as one
We never were apart, no
The sun was always shining
In my heart
Now those days are gone
I miss the love we had
No one ever told me
Life could be so sad
Oh baby I keep holding on
Can't let go please let me know

Why does it rain
Why does it hurt
Please God explain
Cause I don't understand
Love made me fly
Now I just cry
Please tell me why, oh
Tell me why does it rain

Ooh ooh oh

Oh my baby
Ooh ooh ooh

I keep holding on
Can't let go please let me know

Why does it rain
Why does it hurt
Please God explain
Cause I don't understand
Love made me fly
Now I just cry
Please tell me why
Why does it rain, ooh

Why does it hurt
Please God explain
Cause I don't understand
Love made me fly
Oh oh oh ooh
Now I just cry
Please tell me why, oh no
Why does it rain
