Oh yeah

I've been waiting for my luck to turn  
For my heart to burn again  
I've been praying  
But I should have known  
That you're not alone tonight

You should know that I am  
Head over heels for you  
For you

Jennie let me love you, ohh  
You know I'll do anything for you  
I know that you belong to, yeah  
A man who doesn't deserve you  
You know I'll be true, ohh  
Jennie let me love you

Oh yeah  
Jennie let me love you

You've been crying  
And you can't pretend  
That his love will mend your life  
And now you're lying between my twisted sheets  
And you're sore heart beats with mine

You should know that I am  
Head over heels for you  
For you

Jennie let me love you, ohh  
You know I'll do anything for you  
I know that you belong to, yeah  
A man who doesn't deserve you  
You know I'll be true, ohh  
Jennie let me love you

In the dead of night  
You know that I will be waiting  
Gotta let you know

I'm head over heels for you  
For you...ohh

(Jennie let me love you)  
Jennie let me love you, ohh  
You know I'll do anything for you (for you)  
I know that you belong to, yeah, ohh  
A man who doesn't deserve you

Jennie let me love you, ohh  
(Jennie let me love you)  
You know I'll do anything for you  
I know that you belong to, yeah, ohh  
A man who doesn't deserve you  
You know I'll be true, ohh  
Jennie let me love you
