Eenie meenie miny moe
Aouh
Eenie meenie miny moe

It's alright to take me out
It's okey to buy me flowers
You can even brag about
How we sat and laughed for hours

But you are not the only one
Who is giving me attention
There's another guy
And I don't wanna lie to you

That's why I need to know
Who's to go
Eenie meenie miny moe
Gotta show
Everything about you
That's why I need to know
Who's to go
Eenie meenie miny moe
Let me know
Everything about you

One of you is Mr. Right
The other one is left of middle
I don't wanna see you fight
Now this is what I gotta settle

If I have to make a choice
I wanna know some more about you
So promise to be true
Cause I know love is meant for two

That's why I need to know
Who's to go
Eenie meenie miny moe
Gotta show
Everything about you
That's why I need to know
Who's to go

Eenie meenie miny moe
Let me know
Everything about you

All I want is
Someone honest
Let me know if
You can make a promise
If you'll always
Be there for me
I'm here waiting for you

(Eenie meenie miny moe)
Need to know
Who's to go
(Eenie meenie miny moe)
Gotta show
Everything about you
Need to know
Who's to go
(Eenie meenie miny moe)
Let me know
Everything about you

That's why I need to know
Who's to go
Eenie meenie miny moe
Gotta show
Everything about you
That's why I need to know
Who's to go
Eenie meenie miny moe
Let me know
Everything about you

That's why I need to know
Who's to go
Eenie meenie miny moe
Gotta show
Everything about you
That's why I need to know
Who's to go
Eenie meenie miny moe
Let me know
Everything about you
