Sometimes when we touch
The honesty's too much
(Hooooooooooooooooooooo)
And I have to close my eyes and hide

You ask me if I love you
And I choke on my reply
I'd rather hurt you honestly
Than mislead you with a lie
And who am I to judge you
On what you say or do
I'm only just beginning
To see the real you

And sometimes when we touch
The honesty's too much
And I have to close my eyes and hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you
Til the fear in me subsides

Romance and all it's strategy
Leaves me battling with my pride
(Battling with my pride)
But through the insecurity
Some tenderness survives
I'm just another writer
Still trapped within my truth
A hesitant prize fighter
Still trapped within my youth

And sometimes when we touch
The honesty's too much
And I have to close my eyes and hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you
Til the fear in me subsides

At times I'd like to break you
And drive you to your knees

At times I'd like to break through
And hold you endlessly

At times I understand you
And I know how hard you've tried
I've watched while love commands you
And I've watched love pass you by
At times I think we're drifters
Still searching for a friend
A brother or a sister
But then the passion flares again

And sometimes when we touch
The honesty's too much
And I have to close my eyes and hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you
Til the fear in me subsides

And sometimes when we touch
The honesty's too much
And I have to close my eyes and hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you
Til the fear in me subsides

Fear in me subsides
