(Don't wanna let you go)

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)

I got this feeling, could it be
There's someone watching over me?
Tell me who you are
I closed my eyes and count from nine
To try and find some peace of mind
But it's gone too far

You see our faces every time
You turn your head around
We'll be watching even when
You turn the lights down
We will always be around
No matter where you are

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)

I'm all alone now in the dark
Just one chance just so we can talk
That is all I ask
I close my eyes and then I dream
I always wake up to a scream
Wonder where you are

Don't you know we're
Always gonna be around you
And there really isn't
Anything you can do
We will always be around
No matter where you are

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)

-Hello!
Guess who? I know you cant see me
But, I can see you!
I know exactly what you're doing
I'm watching you

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do
You've said all you have to
We're coming after you
So don't make a sound

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do
You've said all you have to
We're coming after you
So don't make a sound

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)
