Humidity's rising, barometer's getting low  
According to all sources, the street's the place to go  
Cause tonight for the first time, just about half past ten  
For the first time in history, it's gonna start raining  
men.

It's raining men! Hallelujah! It's raining men! Amen!  
It's raining men! Hallelujah! It's raining men! Amen!  
OW!

Humidity's rising, barometer's getting low  
According to all sources, the street's the place to go  
Cause tonight for the first time, just about half past ten  
For the first time in history, it's gonna start raining  
men.

It's raining men! Hallelujah! It's raining men! Amen  
I'm gonna go out, I'm gonna let myself get absolutely  
soaking wet!  
It's raining men! Hallelujah! It's raining men! Every  
specimen!  
Tall, blonde, dark and lean, rough and tough and  
strong and mean

God bless Mother Nature, she's a single woman too  
She took on a heaven and she did what she had to do  
She taught every angel to rearrange the sky  
So that each and every woman could find her perfect  
guy

It's raining men! Go get yourself wet girl, I know you  
want to.

I ,feel,stormy,weather,moving, in  
About to begin  
Hear,the,thunder,don't,you,lose,your,head.  
Rip off the roof and stay in bed!

It's raining men! Hallelujah! It's raining men! Amen!  
It's raining men! Hallelujah! It's raining men! Amen!  
It's raining men! Hallelujah! It's raining men! Amen!  
It's raining men! Hallelujah! It's raining men! Amen!

It's raining men, it's raining men, it's raining men, it's  
raining men  
It's raining men, it's raining men, it's raining men, it's  
raining men
