Thought that I was going crazy
Just having one of those days, yeah
Didn't know what to do
Then there was you

And everything went from wrong to right
And the stars came out to fill up the sky
The music you were playing really blew my mind
It was love at first sight

Cause baby when I heard you
For the first time I knew
We were meant to be as one

Was tired of running out of luck
Thinking 'bout giving up, yeah
Didn't know what to do
Then there was you

And everything went from wrong to right
And the stars came out to fill up the sky
The music you were playing really blew my mind
It was love at first sight

Cause baby when I heard you
For the first time I knew
We were meant to be as one (to be as one)

Cause baby when I heard you
For the first time I knew
We were meant to be as one

Everything went from wrong to right
And the stars came out and filled up the sky
The music you were playing really blew my mind
It was love at first sight

Love at first sight
Love at first sight
Love... oohh
It was love (it was love) at first sight

Cause baby when I heard you
For the first time I knew
We were meant to be as one (to be as one)

Cause baby when I heard you
For the first time I knew
We were meant to be as one

It was love, it was love, it was love, it was love
