I need a house, I need a room
I need a bed to sleep in
Sleep in, sleep in, sleep in, sleep in
Sleep in, sleep in, sleep in, sleep in

Finding me, finding truth
Finding love in a changing world
Finding peace in simplicity
Finding out where I come from

Finding curage, finding faith
Finding acceptance in a narrow space
Finding time when time has gone
Finding out what's going on

I need a house, I need a room
I need a bed to sleep in
I need a coffee and a kitchen sink
I need a friend, I need a love
I need someone who'll miss me
When I get home
Don't wanna be all alone

Finding the gate, finding the door
Finding the streets I used to walk before
When I was free, when I could see
When I was crazy I wish somebody told me

I need a house, I need a room
I need a bed to sleep in
I need a coffee and a kitchen sink
I need a friend, I need a love
I need someone who'll miss me
When I get home
Don't wanna be all alone

I wonder what about reality
I wonder who'll be starting at me
When I look into my mirror

Mirror, mirror
Mmm mmm mmm...

(I wonder what love means)
(When life get gets down and dirty)

I need a house, I need a room
(I need a bed to sleep in!)
I need a coffee and a kitchen sink
I need a friend, I need a love
I need someone who'll miss me
When I get home
Don't wanna be all alone

I need a house, I need a room
I need a bed to sleep in
I need a coffee and a kitchen sink
(Don't wanna be all alone)
I need a friend, I need a love
I need someone who'll miss me
When I get home
Don't wanna be all alone

I need a house
I need a house
I need a house
When I get home
Don't wanna be all alone
