Where do they go
And what do they do
They're walking on by
They're looking at you
Some people stop
Some people stare
But would they help you
And do they care

How did you fall
Did you fall at all
Are you happy where you are
Sleeping underneath the stars
When it's cold is it your
Hope that keeps you warm

A spare bit of change
Is all that I give
How is that gonna help
When you've got nowhere to live
Some turn away
So they don't see
I bet you'd look
If that were me

How did you fall
Did you fall at all
Is it lonely where you are
Sleeping in between parked cars?
When it thunders
Where do you hide from the storm

Could you ever forgive
My self-pity
When you've got nothing
And you're living on the streets of the city
I couldn't live without my phone
But you don't even have a home

How did we fall
Can we get up at all
Are we happy where we are

On our lonely little star
When it's cold is it your
Hope that keeps you warm

Where do they go
And what do they do
They're walking on by
They're looking at you
They're walking on by
They're looking at you
