Come on, ooh, yeah
Never be the same again

I call you up whenever things go wrong
You're always there
You are my shoulder to cry on
I can't believe it took me quite so long
To take the forbidden step
Is this something that I might regret? (uh)

(Come on, come on)
Nothing ventured nothing gained
(You are the one)
A lonely heart that can't be tamed
(Come on, come on)
I'm hoping that you feel the same (yeah)
This is something that I can't forget

I thought that we would just be friends
Things will never be the same again
It's just the beginning it's not the end (uh)
Things will never be the same again
It's not a secret anymore
Now we've opened up the door
Starting tonight and from now on
We'll never, never be the same again
Never be the same again

(Never be the same again)
(Oh)
Never be the same again
(Never be the same again)
Come on

Now I know that we were close before
I'm glad I realised I need you so much more
And I don't care what everyone will say (uh uh)
It's about you and me
And we'll never be the same again

I thought that we would just be friends (oh yeah)
Things will never be the same again (never be the

same again)
It's just the beginning it's not the end (we've only just begun)
Things will never be the same again
It's not a secret anymore
Now we've opened up the door (opened up the door)
Starting tonight and from now on
We'll never, never be the same again
Never be the same again

Night and day
Black beach sand to red clay
The US to UK, NYC to LA
From sidewalks to highways
See it'll never be the same
What I'm saying
My mind frame never changed
'Til you came rearranged

But sometimes it seems
Completely forbidden
To discover those feelings
That we kept so well hidden
Where there's no competition
And you render my condition
Though improbable it's not impossible
For a love that could be unstoppable

But wait
A fine line's between
Fate and destiny
Do you believe in the things
That were just meant to be
When you tell me the stories
Of your quest for me
Picturesque is the picture
You paint effortlessly

And as our energies
Mix and begin to multiply
Everyday situations
They start to simplify
So things will never be the same
Between you and I
We intertwined our life
Forces and now we're unified

I thought that we would just be friends (come on)
Things will never be the same again
It's just the beginning it's not the end
Things will never be the same again

It's not a secret anymore
Now we've opened up the door
Starting tonight and from now on
We'll never, never be the same again

(Come on)
Things will never be the same again
Never be the same again
