I wish I could define  
All the thoughts that cross my mind  
They seem too big for me to choose  
I don't know which ones to lose  
When I've fallen down so far  
I think I'll never see your light  
Bouncing off of me  
Shining down here from your eyes

Help me! Figure out the difference  
Between right and wrong, weak and strong  
Day and night where I belong  
Help me! Make the right decisions  
Know which way to turn, lessons to learn  
And just what my purpose is here  
(Just what my purpose is here)

Oh, yeah

It's like I got the signals crossed  
With messages I can't decode  
Half asleep, never wide awake  
And on complete overload  
I got so much information here  
And nothing I can really grasp  
I should know the truth  
But I'm too afraid so I have to ask

Help me! (Help me!) Figure out the difference  
Between right and wrong, weak and strong  
Day and night where I belong  
Help me! (Help me!) Make the right decisions  
Know which way to turn, lessons to learn  
And just what my purpose is here

I wanna know you  
More than anything  
I meet you  
In my every dream  
You're there for me  
You love me for who I am  
No angel

Just an ordinary man

Help me figure out why I'm stuck in the middle  
Trying to understand why I can't  
Why it's such a riddle got my eyes crossed  
Thinking so hard and I know I'm missing the mark  
Can you help me sort out all this information  
I'm just racking my brain, paying attention  
But I'm still lost and at all cost  
I...I gotta know (I gotta know, oh, oh)

Help me! (Help me!) Figure out the difference  
Between right and wrong, weak and strong  
Day and night where I belong  
Help me! (Help me!) Make the right decisions  
Know which way to turn, lessons to learn  
And just what my purpose is here

Help me figure out why I'm stuck in the middle  
Trying to understand why I can't  
Why it's such a riddle got my eyes crossed  
Thinking so hard and I know I'm missing the mark  
Can you help me sort out all this information  
I'm just racking my brain, paying attention  
But I'm still lost and at all cost  
I...I gotta know
