Sitting on my bedroom floor
Don't know what I'm waiting for
Posters all around me
Posing divinely

Picking up my favourite band
From my favourite CD-stand
My heartbeat goes astray
When pressing "play"

I am hanging on my stereo
I don't need another place to go
In my room I'm staying all night long
Playing all the records on and on
Hanging on my stereo
That's my show
I don't need another place to go
Cause I'm hanging on my stereo

I listen to that magic sound
From my album number one
Wilder than frenzy
Sweeter than fantasy

Lying on my bedroom floor
Mommy's knocking on my door
When magic fades away
I'm pressing "play"

I am hanging on my stereo
I don't need another place to go
In my room I'm staying all night long
Playing all the records on and on
Hanging on my stereo
That's my show
I don't need another place to go
Cause I'm hanging on my stereo

I'm hanging on my stereo
(Stereo)
I'm hanging on my stereo

I am hanging on my stereo
I don't need another place to go
In my room I'm staying all night long
Playing all the records on and on
Hanging on my stereo
That's my show
I don't need another place to go
Cause I'm hanging on my stereo

(Stereo)

I'm hanging on my stereo
I'm hanging on
I am hanging on my stereo

Hanging on my stereo

Hanging on my stereo
