It all comes over me  
I'd really like to see  
Why did you have to go  
I need to know  
I miss you so

If I could turn back time  
I would have changed your mind  
I'd never let you go  
I love you so  
But still I know

What difference does it make  
If I still want you (ooh)  
When I know for sure that  
I can't make you mine, ooh  
What difference does it make  
If I still need you (ooh)  
When we already have waved  
That our last goodbye, goodbye  
Goodbye-ye-ye-ye-ye

How was I to know  
When you said you loved me so  
It all was make believe  
I tried to see  
Is it up to me

What difference does it make  
If I still want you (ooh)  
When I know for sure that  
I can't make you mine, ooh  
What difference does it make  
If I still need you (ooh)  
When we already have waved  
That our last goodbye, goodbye  
Goodbye-ye-ye-ye-ye  
Goodbye, goodbye  
Goodbye-ye-ye-ye-ye

Oooh yeeah

I tried to see  
Is it up to me

What difference does it make  
If I still want you (ooh)  
When I know for sure that  
I can't make you mine, ooh  
What difference does it make  
If I still need you (ooh)  
When we already have waved  
That our last goodbye, goodbye  
Goodbye-ye-ye-ye-ye

What difference does it make  
If I still want you (ooh)  
When I know for sure that  
I can't make you mine, ooh  
What difference does it make  
If I still need you (ooh)  
When we already have waved  
That our last goodbye, goodbye  
Goodbye-ye-ye-ye-ye  
Goodbye, goodbye  
Goodbye-ye-ye-ye-ye
