Milk and toast and honey
Make it sunny
On a rainy Saturday, he-he-hey
Milk and toast
Some coffee take the stuffiness
Out of days you hate, you really hate
Slow morning news pass me by
I try not to analyse
But didn't he blow my mind this time
Didn't he blow my mind

(Here he comes)
To bring a little loving, honey
(Here he comes)
To take away the hurt inside
(Here he comes)
Is everything that matters to me
(Here he comes)
Is everything I want in life

Milk and toast and honey
Ain't it funny
How things sometimes look so clear
And feel so near
The dreams I dream, my favourite wishful thinking
Oh, he's bookmarked everywhere, everywhere
True love might fall from the sky
You never know what to find
But didn't he blow my mind this time
Didn't he blow my mind

(Here he comes)
To bring a little loving, honey
(Here he comes)
To take away the pain inside
(Here he comes)
Is everything that matters to me
(Here he comes)
Is everything I want from life
(Here he comes)

Oh lay a little loving, honey

(Here he comes)
To feel you're getting close to me
(Here he comes)
Is everything that matters to me
(Here he comes)
Is everywhere I wanna be

(Here he comes)
To bring a little loving, honey
(Here he comes)
To take away the pain inside
(Here he comes)
Is everything that matters to me
(Here he comes)
Is everything I want from life
(Here he comes)

Oh lay a little loving, baby baby
(Here he comes)
To getting close to me
(Here he comes)
Is everything that matters to me
(Here he comes)
Is everywhere I wanna be

To bring a little loving
Is everything I want
To lay a little loving
Is everything I want
Oh, here he comes
