What am I gonna do
When I get a little excited
A little in pain, tell me
What am I gonna say
When I find the centre of my heart
Is a suburb to the brain

You wear them so well
Those innocent eyes
You're putting on a wonderful disguise
I want you so bad
I'm pushing my luck
It feels like being hit by a truck

This is no place special
Don't know why I came
If someone has a minute
Won't you explain

What am I gonna do
When I get a little excited
A little in pain, tell me
What am I gonna say
When I find the centre of my heart
Is a suburb to the brain
Singing: na nana nana na
Na nana nana na

Being with you; dealing with fire
Oh won't you come around (come out)
Come out (today) and play
(I want you so bad)
Answer my calls
Let's spend the night
Within these walls

This is no place special
Nothing for the same
(Nothing for the same)
If someone's got a minute
Do please explain

What am I gonna do
When I get a little excited
A little in vain, tell me
What am I gonna say
When I find the centre of my heart
Is a suburb to the brain
Singing: na nana nana na
Na nana nana na

What am I gonna do
When I get a little excited
A little in vain, tell me
Tell me, tell me, tell me

What am I gonna do
When I get a little excited
A little in vain, tell me
What am I gonna say
When I find the centre of my heart
Is a suburb to the brain
Singing: na nana nana na
Na nana nana na

(What am I gonna do)
What am I gonna do
When I get a little excited
A little in vain
The centre of my heart
Yeah yeah yeah

What am I gonna say
When I find the centre of my heart
Is a suburb to the brain
What am I gonna do now
What am I gonna say
When I find the centre of my heart
Is a suburb to the brain
