What's that girl doing with that boy?
She should be with me instead
What's that girl doing with that boy?
She should be sleeping in my bed

Seven in the morning and I'm with the flow
Already looking like a giggaloo
(Oh oh oh he's a superboy)
I try to chill but what do I see
A fine fine lady and she's not with me
(Oh oh oh he's a superboy)
Somebody tell me

What's that girl doing with that boy?
She should be with me instead
What's that girl doing with that boy?
She should be sleeping in my bed

I'm your girl, oh I want you boy (baby baby)
I should be with you instead (bang bang bang
bababang bang)
I'm your girl, oh I want you boy (baby baby)
I can't get you of my head (bang bang bang bababang
yeah)

My middle name is the Athomic man
I got big big muscles and a perfect tan
(Oh oh oh he's a superboy) Yes I am
I don't need to fix my hair
I look so damn good) don't have to care
(Oh oh oh he's a superboy)
Somebody tell me

What's that girl doing with that boy?
She should be with me instead
What's that girl doing with that boy?
She should be sleeping in my bed

I'm your girl, oh I want you boy (baby baby)
I should be with you instead (bang bang bang
bababang bang)

I'm your girl, oh I want you boy (baby baby)
I can't get you of my head (bang bang bang bababang
yeah)

I got the cash (oohh)
Got style and class (wow)
I got the looks (ohh he's a superboy)
I'm a superboy

He's got the cash (yeah)
Got style and class (ahha)
He's got the looks (yeah)

Whats that girl doing with that boy?

What's that girl doing with that boy?

What's that girl doing with that boy?
