An empty street
An empty house
A hole inside my heart
I'm all alone
The rooms are getting smaller (smaller)

I wonder how
I wonder why
I wonder where they are
The days we had
The songs we sang together (oh yeah)

And oh my love
I'm holding on forever
Reaching for a love that seems so far

So I say a little prayer
And hope my dreams will take me there
Where the skies are blue
To see you once again, my love
Overseas from coast to coast
To find the place I love the most
Where the fields are green
To see you once again, my love

I try to read
I go to work
I'm laughing with my friends
But I can't stop
To keep myself from thinking (oh no)

I wonder how
I wonder why
I wonder where they are
The days we had
The songs we sang together (oh yeah)

And oh my love
I'm holding on forever
Reaching for a love that seems so far

So I say a little prayer

And hope my dreams will take me there
Where the skies are blue
To see you once again, my love
Overseas from coast to coast
To find the place I love the most
Where the fields are green
To see you once again...

To hold you in my arms
To promise you, my love
To tell you from the heart
You're all I'm thinking of

Reaching for a love that seems so far
So...

So I say a little prayer (so... yeah, yeah)
And hope my dreams will take me there
Where the skies are blue
To see you once again, my love
Overseas from coast to coast (overseas)
To find the place I love the most (love the most)
Where the fields are green
To see you once again, my love

I say a little prayer (my sweet love)
My dreams will take me there
Where the skies are blue (oh yeah)
To see you once again (oh my love)
Overseas from coast to coast
To find the place I love the most
Where the fields are green
To see you once again, my love
