When you're looking like that (that, that, that)  
Yeah, yeah!

She's a 5 foot 10 in catsuit and bambi eyes  
Everybody who's staring wouldn't  
Believe that this girl was mine  
I should have known I was wrong  
When I left her for a life in pity  
But they say you never miss  
The water until it's gone (yeah)

Guess I failed to love you  
And you're taking it out tonight

How am I supposed to leave you now  
When you're looking like that  
I can't believe what I just gave away now  
I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that

She's all dressed up for glamour and rock and roll  
Wanna squeeze her real tight  
Get out of this place  
If only I could take control  
But she is out of my reach forever  
And just a week ago she lied next to me  
It's so ironic how I had to lose just to see

That I failed to love you  
And you're taking it out tonight

How am I supposed to leave you now  
When you're looking like that  
I can't believe what I just gave away now  
I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that

I don't wanna forget you  
I don't even wanna try  
How am I supposed to walk on by  
When you're looking like that (that, that, that, that)

How am I supposed to leave you  
I can't believe what I just gave away (oh no, no)  
Cause I can't take it back, I'm lost  
I don't wanna live my life without you (live my life  
without you)  
How am I supposed to leave you now  
When you're looking like that

How am I supposed to leave you now  
When you're looking like that (oh no)  
I can't believe what I just gave away now  
I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that

How am I supposed to leave you now  
When you're looking like that  
I can't believe what I just gave away now  
I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that
