You make me feel funny  
When you come around, yeah  
That's what I found out honey  
What am I doing without you  
You make me feel happy  
When I leave you behind  
It plays on my mind now honey  
What am I doing without you

Ohh, took for granted everything we had  
As if I'd find someone  
Who's just like you

Ohh

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no one else goes  
What am I doing without you  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new  
What am I doing without you  
What am I doing without you

Well I guess I'm ready  
For settling down  
And fooling around is over  
And I swear it's true  
No buts or maybes (buts or maybes)  
When I'm falling down  
There's always someone who saves me  
(Someone who saves me)  
And girl it's you

Ohh, funny how life can be so surprising  
I'm just realising what you do

Ohh

We got a little world of our own  
I'll tell you things that no one else knows

I let you in where no one else goes  
What am I doing without you  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new  
What am I doing without you

Well it's feeling right now  
(Feeling right now)  
So let's do it right now  
(Let's do it right now)  
Praying that some how  
You will understand the way  
It's feeling right now (feeling right now)  
Baby somehow  
I won't let this slip away

Ohh

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no one else goes  
What am I doing without you

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no one else goes  
What am I doing without you  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new

(World of our own)

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no one else goes  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new

(World of our own)

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no one else goes  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new  
What am I doing without you
