First my fate was to be lied to,  
'Cause I liked it, and I lied too.  
Then my fate was on it's Round Two.  
Out of two rounds, it stopped--  
Said, "Here I am. Here I am."

Come embrace me, I'm your long lost.  
I'm your comeback,  
I'm your: "Here I am."  
Don't waste me, 'cause I won't last long,  
And I won't come back,  
I'm your: "Here I am."  
I'm your, "Here I am."

Slowly it comes around again.  
Second time, still it's not sure.  
First time I lied, said,  
"I'm not ready yet,"

And it slammed the door.  
After suffering all the scabs of falling off,

I can lie no more.  
Now one last try  
And it's so close by.

In the star light,  
In the street light,  
In the headlight,  
In the house light,  
In the half-light,  
In the no light,  
Even then, it's so bright.  
You can't help but hear, "Here I am."

Embrace me, I'm your long lost,  
I'm your comeback,  
I'm your: "Here I am."  
Don't waste me, 'cause I won't last long,  
And I won't come back,  
I won't come back,  
I'm your: "Here I am."

I'm your, "Here I am."
