Go on gal, don't take me for no fool  
I ain't gonna quit you, pretty mama, while the  
Weather's cool  
Around your back door, honey, I'm gonna creep  
Just as long as you bring me two-and-a-half a week

I've got a girl, she works in the white folks yard  
She bring me meal, I swear she brings me lard  
She brings me meal, honey she brings me lard  
She bring me everything honey that a girl can steal

Lord a vaudeville circus rider came to town  
They got a dancer lookin' nice and brown  
They didn't know it was against the law  
For the monkey's to stop at a five cent store  
Well, just around the corner, just a minute too late  
Another one standin' at the big back gate  
I'm simply wild about my good cocaine

I stood my corner, hey hey!  
Here come Sal with a nose all so'  
Doctors said she couldn't smell no mo'  
Lord run doctor, ring the bell  
The women in the alley...  
I'm simply wild about my good cocaine

Furniture man came to my house, was last Sunday  
morn  
Asked me was my wife at home  
Said she'd long been gone

Backed his wagon up to my door  
Took everything I had  
He carried it back to the furniture store  
Honey, I did feel sad

What in the world has any man got, now  
Messin' with the furniture man?  
Got no dough, stand for sho'  
Certainly will back you back  
Take everything from an earthly plant  
From a skillet to a frying pan

If there ever was a devil born without any horns  
Musta been the furniture man

I hear you mama, hey hey!  
Here come Sal with a nose all so'  
Doctors said she couldn't smell no mo'  
Lord go doctor, ring the bell  
Women in the alley...  
I'm simply wild about my good cocaine

Lord the babies in the cradle in New Orleans  
The doctors kept a-whiffin' til the baby got mean  
Doctor whiffed until the baby got so'  
Mama said she couldn't smell no mo'

Lord go, Doctor, ring the bell,  
The women in the alley...  
I simply wild about my good cocaine  
I'm simply wild about my good cocaine

I'm simply wild about my good cocaine
