Oh my love has left me wi' bairnies twa  
And that's the last o' him I ever saw  
He's joined the army and he marched awa'  
He took the shillin'  
He took the shillin' and he marched awa'

Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war  
Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war

He looked so fine as he marched along  
Wi' his kilt and sporran an' his musket gun  
And the ladies kissed them as they marched awa'  
He sailed out by  
They sailed out by the Berwick Law

Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war  
Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war

The pipes did play as he marched along  
And soldiers sang out a battle song  
"March on, march on," cried the Captain gay  
For King and country  
For King and country we will fight today

Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war  
Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war

The battle rattled tae the sound o' guns  
And bayonets flashed in the morning sun  
The drums did beat and the cannons roar  
And the shillin' didn't seem  
The shillin' didn't seem much worth the war

Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war  
Come laddies come, hear the cannons roar

Take the King's shilling an' we're off tae war

And on they fought and the men did fall  
Cut down by bayonet and musket ball  
And many o' these brave young men  
Would never fight for  
Would never fight for their King again

Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war  
Come laddies come, hear the cannons roar  
Take the King's shilling an' we're off tae war
