Hi Lara,

I had a look at the lyrics and yes, they could do with a minor tidy up.

Have done it below. Not sure how the line breaks work across the page

Though Â– might be too wide? You may have to cut and create a new line on

The repeat words.

Lola

When you look at me that way

Makes me wanna walk away from you, from you, from you

I see an evil in your eye when your tears were running dry who knew, who

Knew, who knew

Tastes so guilty on your tongue you can't hide from what you've done coz

Your friends, don't pretend, don't pretend

Don't you tell me how he got his way I've got nothing more to say again,

Again, again

Now I'm singing

Lola, Lola, Lola

Lola, lola, Lola

Stay another day

See people told me it was true I just couldn't defend you no more, no more,

No more

No you won't be laughing in my face, my medicine you will taste not yours,

Not yours, not yours

Feel so guilty on your own tryna blame me with that tone to your friends

Don't pretend, don't pretend

You can see me tryna shout it out all you do is pull that frown again,

Again, not again

Still I'm singing
Lola, Lola, Lola
Lola, lola, Lola
Stay another day

There's a hole in the place where you stay
Said it all, but I know there's a way

Be my girl
Be my girl

But now I'm singing

Lola, Lola, Lola
Lola, lola, Lola
Stay another day
Won't you stay another day

Be my girl!
