Sing this rocking, sing this rocking, sing this rocking  
song

Gonna hold this child, gonna hold her tight  
Gonna hold my baby till the morning light  
Though I may be tired and I may be weak  
I will love this child so small and meek  
Gonna hold this child, gonna hold her tight  
Gonna hold my baby till the morning light  
Gonna let her know that nothing's wrong  
Gonna hold my baby and sing this rocking song

Sing this rocking, sing this rocking, sing this rocking  
song  
Sing this rocking, sing this rocking, sing this rocking  
song (this child)

Gonna hold this child, gonna hold her near  
Gonna hold my baby, wipe away her tears  
I will keep on rocking till she feels all right  
Gonna sing her songs about Jesus Christ (Jesus)  
Gonna hold this child, gonna hold her near  
Gonna hold my baby, wipe away her tears  
I will cradle my child until the pain is gone  
Gonna hold my baby and sing this rocking song

Sing this rocking, sing this rocking,  
sing this rocking song (sing this rocking song)  
Sing this rocking, sing this rocking, sing this rocking  
song

Gonna hold this child, gonna hold her near  
Gonna hold my baby through the tender years  
As she starts to learn, as she starts to grow  
I will show her things she needs to know  
Gonna hold this child, gonna hold her near  
Gonna hold my baby through the tender years  
As she moves away and the days grow long  
I will pray for my baby and sing this rocking song

Sing this rocking, sing this rocking,  
sing this rocking song (and sing this rocking song)

Sing this rocking, sing this rocking, sing this rocking

Gonna hold this child though she's far away  
Gonna hold my baby like it's yesterday  
Though I may not see and I may not know  
Gonna keep on praying rocking to and fro (to and fro)  
Gonna hold this child though she's far away  
Gonna hold my baby like it's yesterday  
Gonna let her know my love's lifelong  
While she hold her baby and sings her rocking song
