The time has come
To raise a fright,
The time has come
For Nightmare night,

The time has come,
You heard me right,
The time has come
for Nightmare Night,

The Time has Come
To Say Goodnight,
The Time Has Come
For Nightmare night,

So sing along,
You'll be all right,
The Time has come
For Nightmare Night

NIGHTMARE NIGHT!
TONIGHT'S THE NIGHT
EVERYPONY IN TOWN'S
DRESSING UP TO GET DOWN
CUZ IT'S NIGHTMARE NIGHT!
TIME FOR A FRIGHT
YOU HEARD ME RIGHT
IT'S NIGHTMARE NIGHT!

EileMonty:

When the moon is full
And the sun has gone
Do not plan walking in the
Everfree Forest alone...

There's ghouls, frights,
And the occasional Parasprite!
And other scary creatures
That go bump in the night...

But MandoPony and Edd

From AcousticBrony dare
enter this dark domain.
Even the manly DustyKatt
would say: "Have you gone insane?"

It was quiet, cold and not
anypony to be told.
They shivered, quivered,
and screamed like fillys--
But nopony can escape
The Everfree heebie jeebies...

Calm down stallions, this is
No time to moan,
For you are not
alone...
