Here You Go, way to fast,
Don't slow down, you're gonna crash.
You should watch, watch your step,
Don't look down, your gonna break your neck.
So Shut, shut your mouth,
Cus I'm not listening anyhow.
I've had enough, enough of you.
Enough to last a lifetime through.

So What do you want of me?
I've got not words of sympathy,
And if i mess around with you,
you know I'll just get messed up too,
with you.
with you.

Here you go, way too fast,
Don't slow down, you're gonna crash.
You don't know whats been going down,
While you've been running all over town.
So Shut, shut your mouth,
Cus I'm not listening anyhow.
I've had enough, enough of you.
Enough to last a lifetime through.

So what do you want of me?
I've got no cure for misery.
And if I fuck around with you,
You Know ill just get fucked up too like you
