SUN
Take some time, get away
SUN
Suicide is a shame
SUN
Soon you'll find your own way
SUN
Hope as come, you are safe
And it makes me cry
Because I'm on my way
On my way
On my way
Hey, it's the sun and it makes me shine
Hey, it's the sun and it makes me shine
Hey now it's the sun and it makes me shine
SUN
Soon you'll be okay
SUN
Soon you'll be okay
And it makes me smile
Because I'm on my way
Hey, it's the sun and it makes me shine
Hey, it's the sun and it makes me shine
Hey, it's the sun and it makes me shine
Hey now it's the sun and it makes me smile
All around
Hey now it's the sun and it makes me smile
All around, all around!
Ba dada ba da
(Ba dada ba da switches to the background)
Hey now it's the sun and it makes me smile
All around
Hey now it's the sun and it makes me smile
All around, all around!
Ba dada ba da
