Being only a man, it's only natural for me to wonder,
Curiosity piqued,
Skyway, I think upward.

I wish I could question the clouds, all they've seen
And heard,
What do they think of me and all I can do?
Yeah.

Being only a man, it's only natural for me to wander,
Curiosity piqued,
Horizon, I travel onward.

Well, I wish I could walk on forever,
Think of what I'd see and hear,
Picture me treading the earth and all I can do, yeah.

Lift me up, illuminate,
Hold me down, celebrate,
Colour me with your love,
Let me fly with the dove.

Being only a man, it's only natural for me to wander,
I tread across the ground, find questions instead of
Answers.

Everything now is so central inside my heart,
The colour, the rapture consumes me,
Vague, yet so real.

Lift me up, illuminate,
Hold me down, celebrate,
Colour me with your love,
Let me fly with the dove.

Being only a man, it's only natural for me to wonder
About people like myself, and they're thinking about
Others.

People perplexed as they're looking for the answers for
Me and you,
My best gift is loving-kindness,

It's all I can do, yeah,

Lift me up, illuminate,
Hold me down, celebrate,
Colour me with your love,
Let me fly with the dove,
Lift me up, illuminate,
Hold me down, celebrate,
Colour me with your love,
Let me fly with the dove.
