Dreaming comes so easily
Cause it's all that i've known
True love is a fairytale
I'm damaged, so how would I know?

I'm scared and i'm alone
I'm shamed and I need for you to know

I didn't say all the things that I wanted to say
And you can't take back what you've taken away
Cause I feel you, I feel you near me
I didn't say all the things that I wanted to say
And you can't take back what you've taken away
Cause I feel you, I feel you near me

Healing comes so painfully
And it chills to the bone
Won't let anyone get close to me
I'm damaged, as i'm sure you know

I'm scared and I'm alone
I'm shamed and I need for you to know

I didn't say all the things that I wanted to say
And you can't take back what you've taken away
Cause I feel you, I feel you near me
I didn't say all the things that I wanted to say
And you can't take back what you've taken away
Cause I feel you, I feel you near me

There's only for my soul
And undo this fear
Forgiveness for a man
Who was stronger
I was just a little girl
But I can't look back

I didn't say all the things that I wanted to say
And you can't take back what you've taken away
Cause I feel you, I feel you near me
I didn't say all the things that I wanted to say
And you can't take back what you've taken away

Cause I feel you, I feel you near me

Can't go back...

Can't go back...

Can't go back...

Can't go back...

I can't go back...

I can't go back...

I can't go back..

I must go on...

I must go on...

I must go on...

I must go on...

I must go on...

I must go on...

I must go on...
