Dreaming comes so easily
'Cause it's all that I've known
True love is a fairy tale
I'm damaged, so how would I know?

I'm scared and I'm alone
I'm ashamed and I need for you to know

I didn't say all the things that I wanted to say
You can't take back what you've taken away
'Cause I feel you, I feel you near me

I didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near me

Healing comes so painfully
And it chills to the bone
Will anyone get close to me?
See I'm damaged as I'm sure you know

Oh, I'm scared and I'm alone
I'm ashamed and I need for you to know

I didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near me

I didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near me

There's mending for my soul
An ending to this fear
Forgiveness for a man who was stronger
'Cause I was just a little girl and I can't go back

Oh, I didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near me

I didn't say all the things that I wanted to say

And you can't take back what you've taken away
'Cause I feel you, I feel you near me

I can't go back, I can't go back
No I can't go back, I can't go back, I can't go back
I must go on, I must go on, I must go on

There is healing, there is peace
There is freedom from fear
And who will love you
Like no one's loved you?
You will never be afraid, yeah

Hallelujah, yeah, Hallelujah, yeah
Hallelujah to His name, yeah, yeah
Hallelujah, Hallelujah
Hallelujah, yeah, yeah, yeah, yeah, yeah, yeah
Hallelujah, Hallelujah
Hallelujah to His name

You're His children
How much He loves you
And He will never leave you alone
