Visit "[Drifting](#)" on [MotoLyrics.com](http://MotoLyrics.com)

There's a sea of lonely, swimming sad  
Looking just for an arm to grab  
I don't need to understand  
I'm just lending you the two that I have

You might be drifting  
And can't find the shore  
So hopeless and all alone  
The waves are crashing all around you  
Just when you've lost the will to live  
You see the sun

Can we make a searchlight  
From all the bridges that we burn?  
Do you see a rescue?  
Or a deeper kind of hurt?

Who could love you,  
Who could hold you?  
I'd swim across the sea  
You don't have to be alone  
Where the shallow gets so deep

You might be drifting  
And can't find the shore  
So hopeless and all alone  
The waves are crashing all around you  
Just when you've lost the will to live  
You see the sun

I am hurt and nearly drown  
(Open up your eyes)  
I cry for help you turned around  
(Open up your eyes)  
Farther from the shore  
Or you'll be farther from the shore

I am hurt and nearly drown  
(You're not alone)  
I cry for help you turned around  
(I'm not letting go)  
Farther from the shore

So you're not farther from the shore

You might be drifting

And can't find the shore

So hopeless and all alone

The waves are crashing all around you

Just when you've lost the will to live

You see the sun
