hang on
when the water is rising
hang on
when the waves are crashing
hang on
just dont ever let go
im so stubborn
its how i got here
so long
feels like forever
wanna swim away
and breath the open air
but i feel so affraid
that i heard you say
hang on
when the water is rising
hang on
when the waves are crashing
hang on
just dont ever let go
hang on
when your barely breathing
hang on
when your hearts still beating
hang on
just dont ever let go
im so hungry
how can i stay here
im starving
for what i hold so dear
like a hurricane
it takes every thing
from me

wake me from this dream
hang on
when the water is rising
hang on
when the waves are crashing
hang on
just dont ever let go
hang on

when your barely breathing
hang on
when your hearts still beating
hang on
just dont ever let go
three days, thirty years
so hopeless doesnt matter
dont say its to late
if you blink your eyes
the son is rising
the son is rising
hang on
when the water is rising
hang on
when the waves are crashing
hang on
just dont ever let go
hang on
when your barely breathing
hang on
when your hearts still beating
hang on
just dont ever let go
