Your baby blues, so full of wonder  
Your curly cues, your contagious smile  
And as I watch, you start to grow up  
All I can do is hold you tight

Knowing clouds will rage in  
Storms will race in  
But you will be safe in my arms  
Rains will pour down  
Waves will crash around  
But you will be safe in my arms

Storybooks  
Are full of fairy tales  
Of kings and queens  
And the bluest skies  
My heart is torn just in knowing  
You'll someday see  
The truth from lies

When the clouds will rage in  
Storms will race in  
But you will be safe in my arms  
Rains will pour down  
Waves will crash around  
But you will be safe in my arms

Castles they might crumble  
Dreams may not come true  
You are never all alone  
Cause I will always  
Always love you

Hey I  
Hey I  
Will love

Clouds will rage in  
Storms will race in  
But you will be safe in my arms  
Rains will pour down  
Waves will crash around

But you will be safe in my arms

In my arms
