I can dance here
Next to everybody
But I want to
Dance with you

I'm not sophisticated
I'm not your average girl
I don't like to wear makeup
I like my matted curls

Do I make you feel unstable?
Do I put you in a whirl?
'Cause I do not fit your idea of a beautiful girl
Yeah, yeah, yeah

I can jump in next to anybody
Let me jump right next to you
I can dance here next to everybody
But I want to dance with you

You're so illuminated
You're heat could melt the world
Your so wrapped up in plastic
You nip and tuck and twirl

Do I make you feel uneasy?
Do I break your stupid rule?
'Cause I do not fit your idea of a beautiful girl
Yeah, yeah, yeah

I can jump in next to anybody
Let me jump right next to you
I can dance here next to everybody
But I want to dance with you

I can jump in next to anybody
Let me jump right next to you
I can dance here next to everybody
But I want to dance with you

We're all different
We're all strange

Who really cares
Let's just keep dancing

I can jump in next to anybody
Let me jump right next to you
I can dance here next to everybody
But I want to dance with you

I can jump in next to anybody
Let me jump right next to you
I can dance here next to everybody
But I want to dance with you
