Here is where the road divides  
Here is where we realize  
The sculpting of the father's great design

Thru' time you've been a friend to me  
But time is now the enemy  
I wish we didn't have to say goodbye  
But I know the road he chose for me  
Is not the road he chose for you  
So as we chase the dreams we're after

[Chorus]

Pray for me and I'll pray for you  
Pray that we will keep the common ground  
Won't you pray for me and I'll pray for you  
And one day love will bring us back around again

Painted on our tapestry  
We see the way it has to be  
Weaving thru' the laughter and the tears  
But love will be the tie that binds us  
To the time we leave behind us  
Memories will be our souvenirs  
And I know that thru' it all  
The hardest part of love is letting go  
But there's a greater love that holds us

[Chorus x2]

Here is where the road divides
