You're the ride through  
troubled waters  
on tidal waves of  
wayward daughters  
Who is your saint?  
Who is your martyr?  
Who'll be your surfer girl?

Who'll sail on arks of  
nails and lumber?  
Who'll bear a cross of  
nails and lumber?  
"Who'll walk the plank?" the  
angels wonder,  
"Who'll be your surfer girl?"

Break me beneath the breakers  
Save me, my Lord and Savior  
Take me though there  
are no takers  
In, not of the world,  
I'll be your Surfer Girl

You're the ride through  
troubled waters  
on tidal waves of  
wayward daughters  
I am no saint, I  
am no martyr  
but I'll be your surfer girl

I'll be your surfer girl  
I'll be your surfer girl...
