I wanted to be with you alone
and talk about the weather
But traditions I can trace against the child in your face
Won't escape my attention
You keep your distance with a system of touch
and gentle persuasion
I'm lost in admiration, could I need you this much
Oh, you're wasting my time, you're just, just, just wasting time

Something happens and I'm head over heels
I never find out till I'm head over heels
Something happens and I'm head over heels
Oh, don't take my heart, don't break my heart
Don't, don't, don't throw it away (Throw it away...Throw it away...)

I made a fire and watching it burn (yeah)
I thought of your future
With one foot in the past now just how long can it last
Oh no, no, have you no ambitions,
My mother and my brothers used to breathing clean air
And dreaming I'm a doctor
It's hard to be man when there's a gun in your hand.

Oh, I feel sooooo...

Something happens and I'm head over heels
I never find out till I'm head over heels
Something happens and I'm head over heels
Oh, don't take my heart, don't break my heart
Oh, don't, don't throw it away

And this is my four leaf clover
I'm on the line, one open mind, this is my four leaf clover

(La la la la la, la la la la la, la la la la la la)
(La la la la la, la la la la la, la la la la la la)
(La la la la la, la la la la la, la la la la la la)
(La la la la la, la la la la la, la la la la la la)
(La la la la la, la la la la la) In my mind's eye (la la la la la la)
One little boy, one little man (La la la la la, la la la la la)
Funny how... time flies
