People are always
Hurrying off through the crowd
With their heads down
The sun sets again

Empty and frozen
Vacancy gets in the way
Of understanding
Each other

And I'll wait
And I'll lie to myself
And I'll wait
And I'll lie to myself

Everyone knows that
You can't trust a stranger anymore
The city is lonely
They're all out to get us now

No one deserves the respect
They expect to receive
It isn't worth it
Our time is precious now

We keep dark clouds
Deep inside our bones

We're holding on
And we can't let it go

And I'll wait
And I'll lie to myself
And I'll wait
And I'll lie to myself

Isn't it sad to look back
And realise we've wasted our whole lives
Doing what we didn't wanna do?

And I'll wait
And I'll lie to myself

And I'll wait
And I'll lie to myself
And I'll wait
And I'll lie to myself
For a change
And I'll lie to myself
