You're the one I want around,
When you're here no-one can get me down,
Baby, I want you to be mine,
Without you around the sun don't shine,
It's my time to show you,
No-one in my heart has ever felt so true,
It's a feeling I can't ignore,
You're the one that I've been searching for.

Baby I got all that you need,
And I will bring to life all your dreams,
I promise you now that I'll stay true,
There's a place in my heart for you,
Why can't you understand?
That I need you as my man,
Boy I want to hold you tight,
And make sweet love all through the night.

I feel that our loves so strong,
And I believe it won't ever go wrong,
I can't forget all the things we've said,
I can't even get you out of my head.
When I'm around you it seems like bliss,
I can't help but think of your kiss,
You make me feel sparkling and new,
And I want to spend every second with you.

Heaven feels like a place on earth,
In your ocean I wanna surf,
I want you more and more each day,
You can take my breath away,
Whenever you're near my heart skips a beat,
I can't avoid your body's heat,
The way you're feeling is a mystery,
Why can't you tell me?
