I got a feeling incomplete in my heart,
Don't wanna go it alone though we can never be apart,
We can never be apart,
U make me feel complete coz you are a piece of my
heart
You're the one for me I knew it right from the start
Yeh, we can never be apart,
We can never be apart, we can never be apart.

Mmm...
Apne rang gawaen bin, mere rang mein ghul jao
Ohh...
Apne rang gawaen bin, mere rang mein ghul jao
Apni dhoop bujhaye bin, meri chhao mein aa jao
Oh chalo yoon kare,
Tum, tum bhi raho, main, main bhi rahoon
Hum, hum bhi rahein
Oh tum, tum bhi raho, main, main bhi rahoon
Hum, hum bhi rahein
Teeno mil ke saathchale
Saathi janam janam, u me aur hum.
U me aur hum, U me aur hum.
Apne rang gawaen bin, mere rang mein ghul jao
Apni dhoop bujhaye bin, meri chhao mein aa jao

Jaise baadal paani ka, yaarana hai
Jaise gul aur khushboo ka, dostana hai
Oh jaise baadal paani ka, yaarana hai
Jaise gul aur khushboo ka, dostana hai
Waise hee rahein hum tum
Waise hi jiyein hum tum
Ohhh
Tere mere haathon mein, koi bhi pinjara na ho
Ek duje par apna,
Haq toh ho kabza na, ho har haal mein,
Tum, tum tum bhi raho, main, main bhi rahoon
Hum, hum bhi rahein
Oh...

When my heart goes on,
Misses a beat, I know it's gotta be you girl,
You sweep me off my feet

Sweep me off my feet, oh you sweep me off my feet
And when the blood from my heart
Rushes into my brain, it sends a message to me
To say you're driving me insane,
You know you're driving me insane, driving me insane
Love gives your heart the power, to open up and flower
Calling it every hour, but it's refrained, it's refrained

Ek din toh who lamha, bhi aana hai
Dono me se ek ne, chale jaana hai
Ho... ek din toh who lamha, bhi aana hai
Dono me se ek ne, chale jaana hai
Baatein yeh sabhi hum tum, jaanlein abhi hum tum
Oh dono mil ke saath mein, aise jeena seekh lein
Taaki jo peeche rahein, usko na ho mushkilein

Oh chalo yoon jiye, agar main na rahoon
Ya tum na raho, hum, hum hee rahein
Jaise saaya saath chale, saath rahein hardum
U me aur hum, U me aur hum,
U me aur hum, U me aur hum,
U me aur hum, aur hum
