[Originally By Smashing Pumpkins]

I am one as you are three
Try to find messiah in your trinity
Your city to burn
Your city to burn
Try to look for something
In your city to burn, you'll burn
Am I as I seem?
I'm down
Down, so down

Time is right for a guiding light
Try to turn to reasons in your bitter life
Your city to burn
Your city to burn
Try to look for something
In your city to burn, you'll burn

See you, don't you just want to
See you, I am one
See you, don't you just want to
See you

See you, don't you just want to
See you, I am one
See you, don't you just want to
See you, I am one
