

## Plunkett "Long Way"

Visit "[Long Way](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Could you take some wood  
Some screws and tools  
Sketch some plans  
And make things

Could you dig some earth  
Plant some seeds  
Patiently wait  
And grow things

Immune in a new age  
Consumed by the ad break  
SMS ring tones  
In 5.1 sound  
Live like a rich man  
On your second life land  
We've come a long way

Could you take what's broke  
Work out why  
Find a cure  
And mend things

Could you just turn off  
Your crystal dream  
Protect yourself  
And change things

Could you tell me why  
And the old man sighed

Immune in a new age  
Consumed by the ad break  
Talk to the old man  
And tell him you're sound
