[Originally by Black Flag]

I'm about to have a nervous breakdown
My head really hurts
If I don't find a way out of here
I'm gonna go berserk cause
I'm crazy and I'm hurt
Head on my shoulders
It's going... Berserk!
I hear the same old talk talk talk
The same old lines
Don't do me that today
Yeah if you know what's good for you, you'll get out of
my way
Cause, I'm crazy and I'm hurt
Head on my shoulders
Going... Berserk!
I won't apologize
For acting outta line
You see the way I am
You leave any time you can cause
I'm crazy and I'm hurt
Head on my shoulders
Going... Berserk!
Crazy! Crazy! Crazy! Crazy!
I don't care what you fuckin' do!
I don't care what you fuckin' say!
I'm so sick of everything
I just want to... Die!
